Codebook "Survey/English Version"

3 Page: Demographic -01 (PGID 5931864)

How old are you? (q_10689383 - Type 141)

Variable name v_91	External variable name X.D1	varchar (with type check: Integer)	X.D1

What is your gender? (q_10689389 - Type 112)

Variable name v_92	External variable name X.D2	int	X.D2
		1	Male
		2	Female
		3	others

What is your profession? (q_10689392 - Type 111)

Variable name v_93	External variable name X.D3	int		X.D3
		1		High school student
		2		University Student
		3		Employed (state)
		4		Employed (private company)
		5		Self-employed
		6		Homemaker
		7		No job
		8		Others

What is your highest degree? (q_10689396 - Type 111)

Variable name v_94	External variable name X.D4	int		X.D4
		1		High school
		2		Bachelor
		3		Master
		4		PhD
		5		Others
Variable name v_849	External variable name X.D4.1	varchar		Others

4 Page: Demographic-02 (PGID 5931865)

What is your major? (q_10689766 - Type 141)

Variable name v_100	External variable name X.D5	varchar	X.D5

In what major did you graduate? (q_10689667 - Type 141)

Variable name v_99	External variable name X.D6	varchar	X.D6

5 Page: If high school Degree (PGID 5938847)

5.1 Page: Demographic-03 (PGID 5931867)

In which year did you finish high school? (q_10689827 - Type 141)

Variable name v_101	External variable name X.D7	varchar (with type check: Integer)	X.D7

What was your grade in your high school degree? (q_10689829 - Type 141)

Variable name v_102	External variable name X.D8	varchar	X.D8

6 Page: Demographic-04/---- Nationality, Place and religion (PGID 5931868)

What is your nationality? (q_10717800 - Type 111)

Variable name v_602	External variable name X.D9a	int	X.D9a
		1	Estonian
		2	Others
Variable name v_603	External variable name v_603	varchar	Others

Where do you live? (q_10717805 - Type 111)

Variable name v_604	External variable name X.D9b	int	X.D9b
		1	Estonia
		2	Others
Variable name v_605	External variable name v_605	varchar	Others

What is your home country and province/state (i.e. the place where you spent most of your time as a child)? (q_10689848 - Type 141)

Variable name v_105	External variable name X.D9	varchar	X.D9

I consider myself to belong to the following culture; (q_10717815 - Type 111)

Variable name v_606	External variable name X.D10	int	X.D10
		1	Estonian
		2	Others
Variable name v_607	External variable name v_607	varchar	Others

To what religions or world views do you feel close to? (q_10689939 - Type 121)

Variable name v_850	External variable name v_850	int	Buddhism
		0	not quoted
		1	quoted
Variable name v_851	External variable name v_851	int	Christianity
		0	not quoted
		1	quoted
Variable name v_852	External variable name v_852	int	Confucianism
		0	not quoted
		1	quoted
Variable name v_853	External variable name v_853	int	Islam
		0	not quoted
		1	quoted
Variable name v_854	External variable name v_854	int	Taoism
		0	not quoted

		1	quoted
Variable name v_855	External variable name v_855	int	Marxism
		0	not quoted
		1	quoted
Variable name v_856	External variable name v_856	int	Others
		0	not quoted
		1	quoted
Variable name v_109	External variable name v_108	varchar	Others

Are you married? (q_10689944 - Type 112)

Variable name v_110	External variable name X.D12	int	X.D12
		1	Yes
		2	No

How many children do you have? (q_10689960 - Type 111)

Variable name v_111	External variable name X.D13	int	X.D13
		1	None
		2	1
		3	2
		4	3
		5	4
		6	More than 4

How many people are in your household? (q_10689962 - Type 141)

Variable name v_112	External variable name X.D14	varchar (with type check: Integer)	X.D14

How much money does your household have on average per month as total income (i.e. salary from jobs, income from a business, support from relatives or the state etc.)? (q_10689963 - Type 141)

Variable name v_113	External variable name X.D15	varchar (with type check: Integer)	X.D15

7 Page: General Finance (PGID 5931869)

Have you ever invested in stocks or funds? (q_10690530 - Type 111)

Variable name v_114	External variable name X.GF1	int	X.GF1
		1	Yes
		2	No

How likely is it that you would invest money in stocks or funds in the future, provided you had a reasonable amount of savings? (q_10700859 - Type 111)

Variable name v_241	External variable name G.F1b	int	X.GF1b
		1	Very likely
		2	likely
		3	Not Likely
		4	Very unlikely

To what extent do you agree or disagree with each of the following statements? (Please mark one answer in each row with a circle):   (q_10700904 - Type 311)

Variable name v_242	External variable name G.F1c	int	Investing in stocks is only for gamblers
		1	Strongly agree
		2	Agree
		3	Undecided
		4	Disagree
		5	Strongly disagree
Variable name v_243	External variable name G.F1d	int	It is morally questionable to earn money with stocks, because whatever I gain, somebody else must lose.
		1	Strongly agree
		2	Agree
		3	Undecided
		4	Disagree
		5	Strongly disagree
Variable name v_244	External variable name G.F1e	int	I make financial decisions by myself.
		1	Strongly agree
		2	Agree
		3	Undecided
		4	Disagree
		5	Strongly disagree
Variable name v_245	External variable name G.F1f	int	On the long run, stocks give a good return.
		1	Strongly agree
		2	Agree
		3	Undecided
		4	Disagree
		5	Strongly disagree
Variable name v_246	External variable name G.F1g	int	If my friend buys stocks, I would also consider it.
		1	Strongly agree
		2	Agree
		3	Undecided
		4	Disagree
		5	Strongly disagree
Variable name v_247	External variable name G.F1h	int	Investing on the stock market is a perfectly normal way to earn money.
		1	Strongly agree

| 2	Agree
3	Undecided
4	Disagree
5	Strongly disagree

How many people could you rely on if you have financial problems? (q_10690531 - Type 141)

Variable name v_115	External variable name X.GF2	varchar (with type check: Integer)	X.GF2

8 Page: How do you think about risk (PGID 5931870)

Imagine you are offered the following lottery. Please indicate the maximum amount you are willing to pay for the lottery.

40% Chance	Win 0 €
60% Chance	Win 50 €
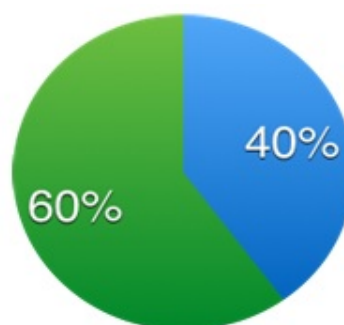

I am willing to pay at most _____ € to play the lottery. (q_10690560 - Type 141)

Variable name v_117	External variable name X.R1a	varchar (with type check: Integer)	X.R1a

Imagine you are offered the following lottery. Please indicate the maximum amount you are willing to pay for the lottery.

90% Chance	Win 0 €
10% Chance	Win 50 €
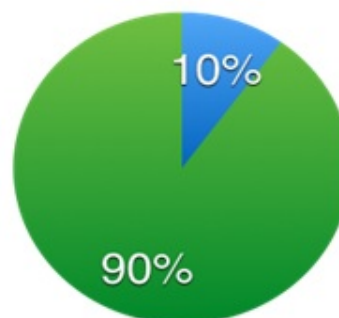

I am willing to pay at most _____ € to play the lottery. (q_10690645 - Type 141)

Variable name v_118	External variable name X.R1b	varchar (with type check: Integer)	X.R1b

The following lottery involves losses. Imagine you have to play these Lotteries unless you pay a certain amount of money beforehand. What is the maximum amount you would be willing to pay, in order to avoid playing the lottery? This corresponds to buying an insurance that saves you from suffering potential losses.

60% Chance	Loss of 50 €
40% Chance	No loss, no win
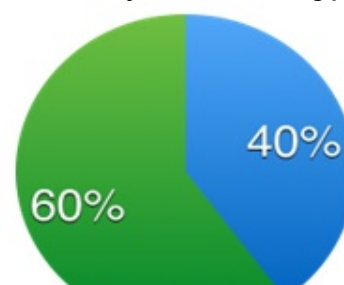

I am willing to pay at most _____ € to avoid the lottery. (q_10690701 - Type 141)

Variable name v_119	External variable name X.R2	varchar (with type check: Integer)	X.R2

In the following Lotteries, you have a 50% chance to win or lose money. The potential loss is given. Please state the minimum amount X for which you would be willing to accept the lottery.

50% chance	Loss of 13 €
50% chance	Win of X €
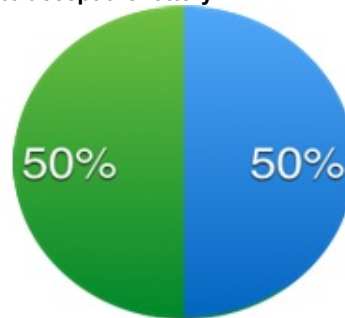

X should be at least _____ € to make the lottery acceptable. (q_10690764 - Type 141)

Variable name v_120	External variable name X.R3	varchar (with type check: Integer)	X.R3

In an urn, there are 100 balls with three colors (red, yellow, and blue). 30 balls are red, whereas the remaining 70 consist of yellow and blue balls.

30 balls	70 balls	
red	yellow	blue
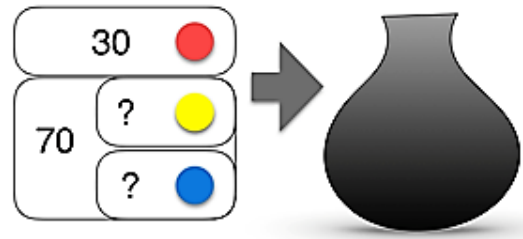

Imagine a ball is randomly drawn from the urn. You are offered the following two Lotteries. Which lottery would you prefer? A. If the color of this ball is red, you win 100 €; otherwise, you win nothing.   B. If the color of this ball is yellow, you win 100 €; otherwise, you win nothing.I prefer (q_10691777 - Type 111)

Variable name v_121	External variable name X.R4	int	X.R4
		1	A
		2	B

Which offer would you prefer: A. a payment of 1700€ this month   B. a payment of 1900€ next monthI prefer (q_10691843 - Type 111)

Variable name v_122	External variable name X.T1	int	X.T1
		1	A
		2	B

9 Page: Job Questions -01 (PGID 5931871)

Now we would like to ask you a bit about work: Please think of an ideal job, disregarding your present job, if you have one. In choosing an ideal job, how important would it be to you too... (Please mark one answer in each row with a circle): (q_10691867 - Type 311)

Variable name v_123	External variable name X.HA1	int	Have sufficient time for your personal or family life
		1	Of utmost important
		2	Very important
		3	Of moderate importance
		4	Of little importance
		5	Of very little or no importance
Variable name v_124	External variable name X.HA2	int	Have good physical working conditions (good ventilation and lighting, adequate work space, etc.)
		1	Of utmost important
		2	Very important
		3	Of moderate importance
		4	Of little importance
		5	Of very little or no importance
Variable name v_125	External variable name X.HA3	int	Have a good working relationship with your direct superior
		1	Of utmost important
		2	Very important
		3	Of moderate importance
		4	Of little importance
		5	Of very little or no importance
Variable name v_126	External variable name X.HA4	int	Have security of employment
		1	Of utmost important
		2	Very important
		3	Of moderate importance
		4	Of little importance
		5	Of very little or no importance
Variable name v_127	External variable name X.HA5	int	Work with people who cooperate well with one another
		1	Of utmost important
		2	Very important
		3	Of moderate importance
		4	Of little importance
		5	Of very little or no importance
Variable name v_128	External variable name X.HA6	int	Be consulted by your direct superior in his/her decisions
		1	Of utmost important
		2	Very important
		3	Of moderate importance
		4	Of little importance
		5	Of very little or no importance
Variable name	External variable name	int	Have an opportunity for advancement to higher level jobs

v_129	X.HA7		
		1	Of utmost important
		2	Very important
		3	Of moderate importance
		4	Of little importance
		5	Of very little or no importance
Variable name v_130	External variable name X.HA8	int	Have an element of variety and adventure in the job
		1	Of utmost important
		2	Very important
		3	Of moderate importance
		4	Of little importance
		5	Of very little or no importance

10 Page: Job Questions -02 (PGID 5938849)

Experience during your work (Please mark one answer in each row with a circle): (q_10694985 - Type 311)

Variable name v_131	External variable name X.HB11	int	How often do you feel nervous or tense at work?
		1	Never
		2	Seldom
		3	Sometimes
		4	Usually
		5	Always
Variable name v_132	External variable name X.HB12a	int	How frequently are you afraid to express disagreement with superiors?
		1	Never
		2	Seldom
		3	Sometimes
		4	Usually
		5	Always
Variable name v_133	External variable name X.HB12b	int	How frequently, in your experience, are subordinates afraid to express disagreement with their superiors?
		1	Never
		2	Seldom
		3	Sometimes
		4	Usually
		5	Always

To what extent do you agree or disagree with each of the following statements? (Please mark one answer in each row with a circle): (q_10694992 - Type 311)

Variable name v_136	External variable name X.HB13	int	Most people can be trusted
		1	Strongly agree
		2	Agree
		3	Undecided

			4	Disagree
			5	Strongly disagree
Variable name v_137	External variable name X.HB14	int		One can be a good manager without having precise answers to most questions that subordinates may raise about their work
			1	Strongly agree
			2	Agree
			3	Undecided
			4	Disagree
			5	Strongly disagree
Variable name v_138	External variable name X.HB15	int		An organization structure in which certain subordinates have two bosses should be avoided at all costs
			1	Strongly agree
			2	Agree
			3	Undecided
			4	Disagree
			5	Strongly disagree
Variable name v_139	External variable name X.HB16	int		Competition between employees usually does more harm than good
			1	Strongly agree
			2	Agree
			3	Undecided
			4	Disagree
			5	Strongly disagree
Variable name v_140	External variable name X.HB17	int		A company's or organization's rules should not be broken not even when the employee thinks it is in the company's best interest
			1	Strongly agree
			2	Agree
			3	Undecided
			4	Disagree
			5	Strongly disagree
Variable name v_141	External variable name X.HB18	int		When people have failed in life it is often their own fault
			1	Strongly agree
			2	Agree
			3	Undecided
			4	Disagree
			5	Strongly disagree

11 Page: Patriotism (PGID 5950371)

We all should be willing to fight for our country, whether it is right or wrong. (q_10695006 - Type 111)

Variable name v_142	External variable name X.P1	int	X.P1
		1	completely agree
		2	mostly agree
		3	mostly disagree
		4	completely disagree

4   completely disagree

12 Page: Patriotism and Financial literacy (PGID 5931872)

The next couple of questions include some tricky ones, but please try your best. We start with some questions about finance:Suppose you had 100€ in a savings account and the interest rate was 2% per year. After 5 years, how much do you think you would have in the account if you left the money to grow? (q_10695058 - Type 111)

Variable name v_144	External variable name X.F1	int	X.F1
		1	More than 102 €
		2	Exactly 102€
		3	Less than 102€
		4	Do not know

Imagine that the interest rate on your savings account was 1% per year and inflation was 2% per year. After 1 year, how much would you be able to buy with the money in this account? (q_10695061 - Type 111)

Variable name v_145	External variable name X.F2	int	X.F2
		1	More than today
		2	Exactly the same
		3	Less than today
		4	Do not know

Please tell me whether this statement is true or false. "Buying a single company's stock usually provides a safer return than a stock mutual fund." (q_10695062 - Type 111)

Variable name v_146	External variable name X.F3	int	X.F3
		1	True
		2	False
		3	Do not know

13 Page: Berlin Numeracy Test (PGID 5931873)

We will ask you now some statistical questions:Please state the right answer in percent. Out of 1000 people in a village 500 are a member of the choir. Out of these 500 members, 100 are men. Out of the 500 people that don't sing in the choir 300 are men. How big is the probability that a randomly picked man is a member of the choir? Please state the right answer in percent (rounded). (q_10695167 - Type 141)

Variable name v_147	External variable name X.BN.1.1	varchar (with type check: Integer)	X.BN.1.1

400 mens in total
-> 100/400 = 25%

14 Page: X.BN.1.2.a (PGID 5939349)

14.1 Page: Berlin Numeracy Test-01a (PGID 5933950)

Imagine we are throwing a five-sided dice 50 times. On average, out of these 50 throws how many times would this five-sided dice show an odd number (1, 3 or 5)? (q_10721818 - Type 141)

Variable name v_612	External variable name X.BN.1.2a	varchar (with type check: Integer)	X.BN.1.2a

3/5 = 60%
60%*50 = 30

15 Page: X.BN.1.1.b (PGID 5939455)

15.1 Page: Berlin Numeracy Test-01b (PGID 5939451)

Imagine you are throwing a biased dice (with six sides) 70 times. The probability that the dice rolls the number 6 is twice as high as the probability for each of the other numbers. On average, out of these 70 throws how many times would the dice show the number 6? (q_10731994 - Type 141)

Variable name v_828	External variable name X.BN.1.2b	varchar (with type check: Integer)	X.BN.1.2b

$$P(dice=6) = 2/7$$
$$2/7 * 70 = 20$$

16 Page: If X.BN1.2b is not correct (PGID 5939193)

16.1 Page: Berlin Numeracy Test-02 (PGID 5933951)

In a forest 20% of the mushrooms are red, 50% are brown and 30% are white. A red mushroom is poisonous with the probability of 20%. A mushroom that is not red is poisonous with the probability of 5%. What is the probability that a poisonous mushroom in the forest is red? (q_10721824 - Type 141)

Variable name v_615	External variable name X.BN.1.3	varchar (with type check: Integer)	X.BN.1.3

$$P(Poisonous) = 20\%*20\% + 80\%*5\% = 4\% + 4\% = 8\%$$
$$P(Poisonous\&Red|Poisonous) = 4\% / 8\% = 50\%$$

17 Page: CRT (PGID 5931874)

A pen and an eraser cost 1.10 € in total. The pen costs 1.00€ more than the eraser. How much does the eraser cost? _____ cents (q_10695198 - Type 141)

Variable name v_151	External variable name X.CRT1	varchar	X.CRT1

If it takes 5 machines 5 minutes to make 5 widgets, how long would it take 100 machines to make 100 widgets? (q_10695200 - Type 141)

Variable name v_152	External variable name X.CRT2	varchar (with type check: Integer)	X.CRT2

In a lake, there is a patch of lily pads. Every day, the patch doubles in size. If it takes 48 days for the patch to cover the entire lake, how long would it take for the patch to cover half of the lake? (q_10695201 - Type 141)

Variable name v_153	External variable name X.CRT3	varchar (with type check: Integer)	X.CRT3

If you're running a race and you pass the person in second place, what place are you in? (q_10695203 - Type 141)

Variable name v_154	External variable name X.CRT4	varchar (with type check: Integer)	X.CRT4

18 Page: X.CRT5 (PGID 5931875)

A farmer had 15 sheep and all but 8 died. How many are left? (q_10695205 - Type 141)

Variable name v_155	External variable name X.CRT5	varchar (with type check: Integer)	X.CRT5

19 Page: X.CRT6 (PGID 5931876)

Laura is 10 years old. Her father has three daughters. The first two are named April and May. What is the third daughter's name? (q_10695262 - Type 141)

Variable name v_156	External variable name X.CRT6	varchar	X.CRT6

20 Page: X.CRT6-9 (PGID 5931877)

Thinking about the 6 riddle questions you have just answered, how many do you think you have answered correctly? (q_10695269 - Type 111)

Variable name	External variable name	int	X.CRT7
v_157	X.CRT7		
		1	0
		2	1
		3	2
		4	3
		5	4
		6	5
		7	6

How many do you think will the persons who take this survey have answered correctly on average? (q_10695275 - Type 111)

Variable name	External variable name	int	X.CRT8

37.15 Page: F3.E Other technologies (PGID 5934715)

Consider the following pilot project of a state in collaboration with telecommunication firms: People who have not complied with court orders to repay the money (whether a small or big amount) were punished as follows: the firm changed these people's phone lines so that if someone calls them, the caller first hears a message that the person he/she is trying to reach has been blacklisted. The message then asks the caller to persuade them to comply with the court order. Only afterward they are connected to the person they wanted to talk to.How do you evaluate/view this proposal? (q_10723194 - Type 111)

Variable name v_693	External variable name F3.E1	int	F3.E1

37.17 Page: F3.E Other technologies -2 (PGID 5934717)

Another pilot project collects data not only on traffic violations, but also, e.g. whether payments are done in a timely manner, whether garbage is deposited correctly or whether the people behave well on social media platforms: whether they pay their online purchases on time or whether they honor reservations (taxis, restaurants, etc.) they made online. All these items are summarized in a score. People with a good score would get certain benefits. For people with a bad score certain services would be cut, e.g. they could not book high-speed trains anymore. You could also see the score of other people and thus know how trustworthy they are.   How do you evaluate/view this proposal? (q_10723196 - Type 111)

Variable name v_695	External variable name F3.E3	int	F3.E3
		1	Very positive

	2	Positive
	3	Neutral

Variable name v_813	External variable name B.GK.47b	int	Answer option

What do you think: Which plane has the longer maximum reach? (q_10723995 - Type 111)

Variable name v_814	External variable name B.GK.48a	int	B.GK.48a
		1	Airbus A380
		2	Boeing 747

How sure you are that your previously chosen answer is correct? (q_10723996 - Type 911)

Variable name v_815	External variable name B.GK.48b	int	Answer option

38.14 Page: B.GK.49 -B.GK.52 (PGID 5935169)

What do you think: How tall is the tallest building in the world? (q_10723997 - Type 111)

Variable name	External variable name	int	B.GK.49a
v_816	B.GK.49a		

v_816	B.GK.49a		
		1	483 meter
		2	830 meter

How sure you are that your previously chosen answer is correct? (q_10723998 - Type 911)

Variable name	External variable name	int	Answer option
v_817	B.GK.49b		

What do you think: Which gases form the plasma in plasma TVs? (q_10723999 - Type 111)

Variable name	External variable name	int	B.GK.50a
v_818	B.GK.50a		
		1	Neon (Ne) and Xenon (Xe)
		2	Helium (He) and Krypton (Kr)

How sure you are that your previously chosen answer is correct? (q_10724000 - Type 911)

Variable name	External variable name	int	Answer option
v_819	B.GK.50b		

What do you think, how many out of the 50 general knowledge questions did you answer correctly? Please state an absolute number between 0 and 50. (q_10752642 - Type 911)

Variable name	External variable name	int	Answer option
v_858	B.GK.51		

What do you think, how many out of the 50 general knowledge questions did the other participants of the survey answered correctly on average? Please state an absolute number between 0 and 50. (q_10752639 - Type 911)

Variable name	External variable name	int	Answer option
v_857	B.GK.52
